Were the educational experiences offered through the series worth the student and teacher time expended?
Please comment.

The most valuable part of the series to me was:

The least valuable part of the series to me was:

Recommendations to improve the *Exploring the Islands* television series:

Please write a few sentences (e.g., impact on you and your students, value of the series) that MGF can include in proposals and reports to funders. Let us know whether or not we can include your name and school with the quote or if you'd like to remain anonymous.

Please send completed evaluations to Moanalua Gardens Foundation, 1352 Pineapple Pl., Honolulu, HI 96819 OR fax to 808-839-3658. Mahalo!
